If You've Got Trouble(lennon/mccartney)

If you've got trouble,  
Then you got less trouble than me  
You say you're worried,  
You can't be as worried as me

You're quite contend to be bad  
With all the vantage you had over me  
Just cause your trouble  
And don't bring your troubles to me

I dont think it's funny  
When you ask for money and things,  
Especially when you're standing there  
Wearing diamond and rings

You think i'm soft in the head  
Well try someone softer instead anything  
It's not so funny  
When you know what money can bring

You better leave me alone,  
I don't need a thing from you  
You better take yourself home  
Go and count a ring or two

If you've got trouble,  
Then you got less trouble than me  
You say you're worried,  
You can't be as worried as me

You're quite contend to be bad  
With all the vantage you had over me  
Just cause your trouble  
And don't bring your troubles to me

Ah rock on anybody

You better leave me alone,  
I don't need a thing from you  
You better take yourself home  
Go and count a ring or two

If you've got trouble,  
Then you got less trouble than me  
You say you're worried,  
You can't be as worried as me

You're quite contend to be bad  
With all the vantage you had over me  
Just cause your trouble  
And don't bring your troubles to me  
Just cause your trouble  
And don't bring your troubles to me
