Lead Vocal: Ringo Starr

I'm sittin' here watchin'

Matchbox hole in my clothes

I said I'm sittin' here wonderin'

Matchbox hole in my clothes

I ain't got no matches

Sure got a long way to go

I'm an ol' poor boy, and I

Ain't got no home

I'm an ol' poor boy, and I'm a

Long way from home

And everything I do

Turns out mighty wrong

[Alright, John!]

Ah, yeah

Well, if you don't want my peaches honey

Please don't shake my tree

Well, if you don't want Ringo's peaches honey

Please don't mess around my tree

I've got news for you baby

Leave me here in misery

Well, I'm sittin' here watchin'

Matchbox hole in my clothes

I said I'm sittin' here wonderin'

Matchbox hole in my clothes

I ain't got no matches

Sure got a long way to go
