Beatles, Only A Northern Song (harrison)

Beatles Anthology 2 Only A Northern Song (harrison) If you're listening to this song You may think the chords are going wrong But they're not; He just wrote it like that. It doesn't really matter what chords i play What words i say or time of day it is As it's only a northern song It doesn't really matter what clothes i wear Or how i fare or if my hair is brown When it's only a northern song. When you're listening late at night You may think the band are not guite right But they are, they just play it like that It doesn't really matter what chords i play What words i say or time of day it is As it's only a northern song. It doesn't really matter what clothes i wear Or how i fare or if my hair is brown When it's only a northern song. If you think the harmony Is a little dark and out of key You're correct, there's nobody there. It doesn't really matter what chords i play What words i say or time of day it is And i told you there's no one there.
