=====

(George Harrison)

Lead Vocal: George Harrison

(take 3)

If you're listening to this song

You may think the chords are going wrong

But they're not

I just wrote it like that

When you're listening late at night

You may feel the words are not quite right

But they are

I just wrote them myself

And it doesn't really matter what chords I play

What words I say or time of day it is

As it's only a Northern song

It doesn't really matter what clothes I wear

Or how I fare or if my hair is brown

When it's only a Northern song

(take 12)

If you think the harmony

Is a little dark and out of key

Then you're correct

'Cause I sing it myself
