(George Harrison)

Lead Vocal: George Harrison

(take 3)

If you're listening to this song
You may think the chords are going wrong
But they're not

I just wrote it like that
When you're listening late at night
You may feel the words are not quite right
But they are

I just wrote them myself
And it doesn't really matter what chords I play
What words I say or time of day it is

As it's only a Northern song
It doesn't really matter what clothes I wear
Or how I fare or if my hair is brown

When it's only a Northern song

(take 12)

If you think the harmony
Is a little dark and out of key

Then you're correct
'Cause I sing it myself
