(Berry)

Lead Vocal: John Lennon

Just let me hear some of that rock and roll music

Any old way you choose it

It's got a back beat, you can't lose it

Any old time you use it

Gotta be rock roll music

If you wanna dance with me

If you wanna dance with me

I've got no kick against modern jazz

Unless they try to play it too darn fast

And lose the beauty of the melody

Until they sound just like a symphony

That's why I go for that that rock and roll music

Any old way you choose it

It's got a back beat, you can't lose it

Any old time you use it

Gotta be rock roll music

If you wanna dance with me

If you wanna dance with me

I took my loved one over 'cross the tracks

So she can hear my man awail a sax

I must admit they have a rockin' band

Man, they were blowin' like a hurrican'

I strated playing that that rock and roll music

Any old way you choose it

It's got a back beat, you can't lose i,

Any old time you use it

It's gotta be rock roll music

If you wanna dance with me

If you wanna dance with me

Way down South they had a jubilee

The jokey folks they had a jamboree

They're drinkin' home brew from a water cup

The folks dancin' there are all shook up

And started playin' that that rock and roll music

Any old time you use it

It's got a back beat, you can't lose it

Any old time you use it

It's gotta be rock roll music

If you wanna dance with me

If you wanna dance with me

Don't care to hear 'em play a tango

And In The Mood they take a mambo

It's way to early for a congo

So keep a rockin' that piano

That's why I go for that that rock and roll music

Any old time you use it

It's got a back beat, you can't lose it,

Any old time you use it

It's gotta be rock roll music

If you wanna dance with me

If you wanna dance with me
