Please Please Me
Ask me why

I love you, 'cause you tell me things I want to know
And it's true that it really only goes to show
That I know,
That I, I, I, I should never, never, never be blue

Now you're mine, my happiness still makes me cry
And in time, you'll understand the reason why
If I cry,
It's not because I'm sad
But you're the only love that I've ever had

I can't believe it's happened to me
I can't conceive of any more misery

Ask me why, I'll say I love you
And I'm always thinking of you

I love you, 'cause you tell me things I want to know
And it's true that it really only goes to show
That I know,
That I, I, I, I should never, never, never be blue

Ask me why, I'll say I love you
And I'm always thinking of you

I can't believe it's happened to me
I can't conceive of any more misery

Ask me why, I'll say I love you
And I'm always thinking of you, you, you
