

# Beatles, The, Ask me why

Beatles, The  
Please Please Me  
Ask me why

I love you, 'cause you tell me things I want to know  
And it's true that it really only goes to show  
That I know,  
That I, I, I, I should never, never, never be blue

Now you're mine, my happiness still makes me cry  
And in time, you'll understand the reason why  
If I cry,  
It's not because I'm sad  
But you're the only love that I've ever had

I can't believe it's happened to me  
I can't conceive of any more misery

Ask me why, I'll say I love you  
And I'm always thinking of you

I love you, 'cause you tell me things I want to know  
And it's true that it really only goes to show  
That I know,  
That I, I, I, I should never, never, never be blue

Ask me why, I'll say I love you  
And I'm always thinking of you

I can't believe it's happened to me  
I can't conceive of any more misery

Ask me why, I'll say I love you  
And I'm always thinking of you, you, you
