Past Masters - Volume Two
Hey Jude

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you'll begin to make it better

And any time you feel the pain
Hey Jude refrain, don't carry the world upon your shoulders
For well you know that it's a fool
Who plays it cool by making his world a little colder

Na na na na na na na na na

Hey Jude don't let me down
You have found her now go and get her (let it out and let it in)
Remember (hey Jude) to let her into your heart
Then you can start to make it better

So let it out and let it in
Hey Jude begin, you're waiting for someone to perform with
And don't know that it's just you
Hey Jude you'll do, the movement you need is on your shoulders

Na na na na na na na na yeah

Hey Jude don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you begin to make it better
Better, better, better, better, better, aah...
Yeah, yeah, yeah, yeah, yeah, yeah...

Na na na na na na na
Na na na na
Hey Jude

(Jude, Jude...
Yeah, yeah, yeah...
Yeah you know you can make it Jude
Jude you're not gonna break it!
Gonna make it better Jude!
Take a sad song and make it better!
Jude, Jude, hey Jude...
Make it Jude!
Yeah, yeah, yeah...)

Na na na na na na na
Na na na na
Hey Jude
