

Beatles, The, I'm looking through you

Beatles, The

Rubber Soul

I'm looking through you

I'm looking through you, where did you go?

I thought I knew you, what did I know?

You don't look different but you have changed

I'm looking through you, you're not the same

Your lips are moving, I cannot hear

Your voice is soothing but the words aren't clear

You don't sound different, I've learnt the game

I'm looking through you, you're not the same

Why, tell me why did you not treat me right?

Love has a nasty habit of disappearing overnight

You're thinking of me the same old way

You were above me but not today

The only difference is you're down there

I'm looking through you and you're nowhere

Why, tell me why did you not treat me right?

Love has a nasty habit of disappearing overnight

I'm looking through you, where did you go?

I thought I knew you, what did I know?

You don't look different but you have changed

I'm looking through you, you're not the same

Yeah oh baby you've changed

I'm, I'm looking through you

Yeah I'm looking through you

You've changed, you've changed...
