

Beatles, The, I saw her standing there

Beatles, The
Please Please Me
I saw her standing there
One, two, three, four!

Well she was just seventeen
You know what I mean
And the way she looked was way beyond compare
So how could I dance with another
Ooh when I saw her standing there

Well she looked at me
And I, I could see
That before too long I'd fall in love with her
She wouldn't dance with another
Ooh when I saw her standing there

Well my heart went boom
When I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another
Ooh when I saw her standing there

Well my heart went boom
When I crossed that room
And I held her hand in mine

Oh we danced through the night
And we held each other tight
And before too long I fell in love with her
Now I'll never dance with another
Ooh since I saw her standing there
Ooh since I saw her standing there
Yeah well since I saw her standing there
