Help

I've just seen a face

I've just seen a face

I can't forget the time or place where we just met

She's just a girl for me and I want all the world to see we've met

Mm mm mm mm'm mm

Had it been another day

I might have looked the other way and I'd have never been aware

But as it is I'll dream of her tonight

Di di di di'd di

Falling yes I am falling and she keeps calling me back again

I have never known the like of this

I've been alone and I have missed things and kept out of sight

But other girls were never quite like this

Da da n'da n'da'n'da

Falling yes I am falling and she keeps calling me back again

Falling yes I am falling and she keeps calling me back again

I've just seen a face

I can't forget the time or place where we just met

She's just a girl for me and I want all the world to see we've met

Hm hm hm na na na

Falling yes I am falling and she keeps calling me back again

Falling yes I am falling and she keeps calling me back again

Oh falling yes I am falling and she keeps calling me back again
