Beatles, The  
Rubber Soul  
In my life

There are places I'll remember all my life  
Though some have changed  
Some forever not for better  
Some have gone and some remain

All these places had their moments  
With lovers and friends I still can recall  
Some are dead and some are living  
In my life I've loved them all

But of all these friends and lovers  
There is no one compares with you  
And these mem'ries lose their meaning  
When I think of love as something new

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life I'll love you more

Though I know I'll never lose affection  
For people and things that went before  
I know I'll often stop and think about them  
In my life I'll love you more  
In my life I'll love you more
