It's only love

I get high when I see you go by, my oh my

When you sigh, my, my inside just flies, butterflies

Why am I so shy when I'm beside you?

It's only love and that is all, why should I feel the way I do?

It's only love and that is all but it's so hard loving you

Is it right that you and I should fight every night?

Just the sight of you makes night-time bright, very bright

Haven't I the right to make it up girl?

It's only love and that is all, why should I feel the way I do?

It's only love and that is all but it's so hard loving you

Yes it's so hard loving you, loving you
