Beatles, The

The Beatles [White Album]

Savoy truffle

Creme tangerine and montelimat

A ginger sling with a pineapple heart

A coffee desert - yes you know its good news

But you'll have to have them all pulled out after the Savoy truffle

Cool cherry cream, nice apple tart

I feel your taste all the time we're apart

Coconut fudge - really blows down those blues

But you'll have to have them all pulled out after the Savoy truffle

You might not feel it now

But when the pain cuts through you're gonna know and how

The sweat is gonna fill your head

When it becomes too much you shout aloud

But you'll have to have them all pulled out after the Savoy truffle

You know that what you eat you are

But what is sweet now turns so sour

We all know Obladi-Blada

But can you show me where you are?

Creme tangerine and montelimat

A ginger sling with a pineapple heart

A coffee desert - yes you know its good news

But you'll have to have them all pulled out after the Savoy truffle

Yes you'll have to have them all pulled out after the Savoy truffle
