Rubber Soul

Think for yourself

I've got a word or two

To say about the things that you do

You're telling all those lies

About the good things that we can have if we close our eyes

Do what you want to do

And go where you're going to

Think for yourself 'cause I won't be there with you

I left you far behind

The ruins of the life that you had in mind

And though you still can't see

I know your mind's made up you're gonna cause more misery

Do what you want to do

And go where you're going to

Think for yourself 'cause I won't be there with you

Although your mind's opaque

Try thinking more if just for your own sake

The future still looks good

And you've got time to rectify all the things that you should

Do what you want to do

And go where you're going to

Think for yourself 'cause I won't be there with you

Do what you want to do

And go where you're going to

Think for yourself 'cause I won't be there with you

Think for yourself 'cause I won't be there with you
