Beatles, The

Sgt. Pepper's Lonely Hearts Club Band

Within you, without you

We were talking about the space between us all

And the people who hide themselves behind a wall of illusion

Never glimpse the truth - then it's far too late

When they pass away

We were talking about the love we all could share

When we find it to try our best to hold it there

With our love, with our love we could save the world

If they only knew

Try to realise it's all within yourself

No one else can make you change

And to see you're really only very small

And life flows on within you and without you

We were talking about the love that's gone so cold

And the people who gain the world and lose their soul

They don't know, they can't see

Are you one of them?

When you've seen beyond yourself

Then you may find peace of mind is waiting there

And the time will come when you see we're all one

And life flows on within you and without you
