

Beatles, Within You Without You/Tomorrow Never

Turn off your mind, relax and float down stream
It is not dying, it is not dying

We were talking about the space between us all
And the people who hide themselves behind a wall of illusion
Never glimpse the truth, then it's far too late, when they pass away
We were talking about the love we all could share
When we find it, to try our best to hold it there with our love
With our love, we could save the world, if they only knew

Try to realise it's all within yourself
No one else can make you change
And to see you're really only very small
And life flows on within you and without you
