You're Gonna Lose That Girl

You're Gonna Lose That Girl

Lennon/McCartney

You're going to lose that girl

You're going to lost that girl

If you don't take her out tonight

she's going to change her mind

And I will take her out tonight

And I will treat her kind

You're going to lose that girl

You're going to lose that girl

If you don't treat her right, my friend

You're going to find her gone

'Cause I will treat her right and then

You'll be the lonely one

You're going to lose that girl

You're going to lose that girl

You're going to lose

I'll make a point of taking her away from you

Yeah, the way you treat her, what else can I do

You're going to lose that girl

You're going to lose that girl

You're going to lose

I'll make a point of taking her away from you

Yeah, the way you treat her, what else can I do

If you don't take her out tonight

she's going to change her mind

And I will take her out tonight

And I will treat her kind

You're going to lose that girl

You're going to lose that girl

You're going to lose that girl
