You've Got To Hide Your Love Away (lennon/mccartney)
Here i stand head in hand
Turn my face to the wall
If she's gone i can't go on
Feelin' two-foot small

Everywhere people stare Each and every day I can see them laugh at me And i hear them say

Hey you've got to hide your love away Hey you've got to hide your love away

How could i even try I can never win Hearing them, seeing them In the state i'm in

How could she say to me Love will find a way Gather round all you clowns Let me hear you say

Hey you've got to hide your love away Hey you've got to hide your love away
