

Beatsteaks, I Don't Care As Long As You Sing

i got everything right and i want you to
get everything right
i'm not playing rude
i get everything right
get up and swing
you make me sing

so here we go it doesn't pay
it won't protect me no more
when i get up i break it down
i'll double back and for sure
i go back to zero
get up
i swallow a lot if the pressure is up

and the feeling i've got
is i'm not gonna stop
we are back in the early morning

and i don't care as long as you sing
and i don't care as long as we swing
i don't care as long as you sing
