

Beatsteaks, Jane Became Insane

jane became insane
she's a high class fellow
there's something about her that you don't understand
she's got me revved up and ready to go
she's got everything under control

see her now she starts to undress
with a smile that you will never forget
coming down with a clash to connect
she was out now she's up for success watch this

i'm a high class fellow
there's something about me that you don't understand
I got you revved up and ready to go
I got everything under control
It's gonna hit me hope i die before i collapse
there she goes again
