

Beatsteaks, Kings Of Metal

[Originally by Manowar]

Manowar Manowar living on the road
when were in town speakers explode
we dont attract wimps cause were too loud
just true metal people thats Manowars crowd
they wanna keep us down
but they cant last
when we get up were gonna kick your ass
gonna keep on burnin
we always will
other bands play Manowar kill
other bands play Manowar kill
we like it hard, we like it fast
we got the biggest amps, man they blast
true metal people wanna rock not pose
wearin jeans and leather, not cracker jack clothes
they wanna keep us down
but they cant last
when we get up were gonna kick your ass
gonna keep on burnin
we always will
other bands play Manowar kill
other bands play Manowar kill
were the kings of metal comin to town
when we light up, have the roof nailed down
dont try to tell us that were too loud
cause there aint no way that well ever turn down
they wanna keep us down
but they cant last
when we get up were gonna kick your ass
gonna keep on burnin
we always will
other bands play Manowar kill
