

Bebe Rexha, Naughty

[Verse 1]

I've been a good girl
I've been a good girl all week long
I've been a good girl
I've been a good girl don't make me wait so long
Baby, I'mma do it how I do it don't trip
You know that I don't see no other, I'll be ridin' it for life
You and I, you and I
Baby, all night

[Pre-Chorus]

So won't you let me pour a drink
Let me pour a drink all over my body
Let me do a dance, let me do a dance that you like
Baby, let me be naughty

[Chorus]

I just, I just, I just, I just wanna be naughty
Let me be naughty
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?

[Verse 2]

You're my boss, you're my boss, you're my boss
You're my baby, I'm your lady, I'm your lady tonight
And I'mma show you how I'mma do you right
I'mma do whatever, do whatever you like

[Pre-Chorus]

So won't you let me pour a drink
Let me pour a drink all over my body
Let me do a dance, let me do a dance that you like
Baby, let me be naughty

[Chorus]

I just, I just, I just, I just wanna be naughty
Let me be naughty
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?

[Final Chorus]

I just, I just, I just, I just wanna be naughty
Let me be naughty
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
I just, I just, I just, I just wanna be naughty
Won't you let me be naughty?
