

Bebe Winans, But God

Because of Him who rose from the dead
Not a deed that we've done
To deserve the gift of His son
Yes I know where I would be
If He had not died for me.

Some of you were liars, (But God, But God)
Some of you were haters, (But God, But God)
Some of you were deceivers, (But God, But God)

If there's a road of bondage and sin that you've tried
Don't give up, so did I, but God

So trust what I say
Oh tonight, you can receive His love today
If you're here and you're lost
Know that Jesus paid the cost
At the cross between two thieves
Asked of Him, Lord remember me

Now some of you were backsliders, (But God, But God)
Some of you were burglars, (But God, But God)
Hey some of you were streetwalkers, (But God), yes you were (But God)

If there's a road of bondage and sin that you've tried
Don't give up, So did I, But God

Yes I was, I was lost In Sin, and He saved me
Now I'm found, I was bond, but he freed me
To reach the prize, I must press ahead
You see I'm so grateful
[repeat]

Some of you were liars, (But God, But God)
Some of you were drug users, (But God, But God)
Some of you were child abusers, (But God, But God)

If there's a road of bondage and sin that you've tried
Don't give up, So did I but God
