

Bebo Norman, The Gathering

Sisters, brothers
We've got to learn to love each other
Our Father in Heaven has called us to be
Instruments of peace
Children of His mercy, the time has come
To face the sun and hold up high
The banner of love of the Lord
Until we gather in the sky

All God's children of love and light
Every heart will be unified
Singing praise to the Lord our King
On the day of the gathering
On the day of the gathering

We are the body of Christ
The kingdom come
The hands and feet of His will be done
A torch in the dark of a dying place
The living light of His saving grace
The living light of Amazing grace

Love and light, love and light
Children of love and light...

Sisters, brothers
We've got to learn to love each other
Our Father in Heaven has called us to be
Instruments of peace
Jesus is the Prince of Peace
