

Beck, Girl [Octet Remix]

And I saw her, and yeah I saw her
With a black tongue tied 'round the roses
A fist pounding on a vending machine
And toy diamond ring stuck on her finger
With a noose she can hang from the sun
And put it out with her dark sunglasses
Walking crooked down the beach
She spits on the sand where their bones are bleaching
And I know I'm gonna steal her eye
She doesn't even know what's wrong
And I know I'm gonna make her die
Take her where her soul belongs
I know I'm gonna steal her eye
Nothing that I wouldn't try
I saw her, yeah I saw her
With her hands tied back her rags were burning
Calling out from a landfilled life
Hands tied back her rags were burning
Hands tied back her rags were burning
Throw a coin in a fountain of dust
White noise, her ears are ringing
White noise, her ears are ringing
Got a ticket for a midnight hanging
Throw a bullet from a freight train leaving
And I know I'm gonna steal her eye
She doesn't even know what's wrong
And I know I'm gonna make her die
Take her where her soul belongs
I know I'm gonna steal her eye
Nothing that I wouldn't try
