

# Beck, Stagolee

Police officer, how can it be?  
You can arrest everybody but cruel Stagolee  
That bad man, cruel Stagolee

Billy Lyons told Stagolee, "Please don't take my life  
I got two baby children and a darling, loving wife"

"Would I care about your two babes and darling, loving wife?  
You done stole my Stetson hat, I'm bound to take your life."  
That bad man, cruel Stagolee

Stagolee stood on the gallows, head way up high  
Twelve o'clock, they killed him, we were all glad to see him die
