Getaway (Mike Rizzo Club Edit)
ohhhhhhh
I've been watchin' you
(you you you you you you)

I've been watchin' you
(you you you you you you)

Baby love
I need your love
I wanna turn it up
But the world keeps on turnin'

My heart is real
tell me what you feel
but you can tell
there's a truth that is yearning

(Chorus)
I've been watching you
do you feel it too
I've been wanting to
see what you can do
I've been watching you
do you want me to
stand by and maybe getaway

Getaway

Maybe getaway

Getaway

baby love
do i ask too much
are you strong enough
to feed the flame that's burning

(Time, Time, Time)
Don't let it getaway
(Time, Time, Time)
Don't let it runaway
(Time, Time, Time)
Don't let it getaway

(Getaway, Getaway, Getaway)
{ohhhhhhhhhh}

(Chorus X2)
I've been watching you
do you feel it too
I've been wanting to
see what you can do
I've been watching you
do you want me to
stand by and maybe getaway
I've been watching you
do you feel it too
I've been wanting to
see what you can do
I've been watching you
do you want me to

stand by and maybe getaway
