

# Becky Baeling, If You Love Me (Remix)

I've been searching  
Didn't know what I was searching for  
But I knew there had to be more  
I've been waiting  
For the day you'd come knocking at my door  
And if you come knocking at my door  
When it comes to love  
I don't mess around  
When it comes to love  
I stand my ground  
If you love me the way I want to be loved  
I'm gonna love you like you've never been loved before  
And if you treat me with respect and tenderness  
I'm gonna love you like you've never been loved before  
You're gonna beg for more  
When you taste it  
When it tastes so good you can't resist  
You've got to have just one more kiss  
I'm not gonna waste it  
Gonna save on every single kiss  
It don't get much better than this

When it comes to love  
You don't mess around  
When it comes to love  
You know I'm down  
If you love me the way I want to be loved  
I'm gonna love you like you've never been loved before  
And if you treat me with respect and tenderness  
I'm gonna love you like you've never been loved before  
You're gonna beg for more  
And if you love me the way I want to be loved  
I'm gonna love you like you've never been loved before  
And if you treat me with respect and tenderness  
I'm gonna love you like you've never been loved before  
And if you love me the way I want to be loved  
I'm gonna love you like you've never been loved before  
And if you treat me with respect and tenderness  
I'm gonna love you like you've never been loved before  
You're gonna beg for more
