

# Becky G, Play It Again

Watch me take it up  
Then I'll break it down  
Hard to play sports  
But it's a touchdown  
... I'm the black sheep  
And even then ha  
They still follow me

I rock the wrists...

DJ play my song on the radio  
Lift me up when I'm feeling low  
Drop the beat and play it again  
Play it again

DJ, spin it back if you're feeling me  
The ... track is all I need  
Drop the beat and play it again  
Play it again

Watch me do my thang  
Do my thang on the stage  
I'll be coming in  
...

DJ play my song on the radio  
Lift me up when I'm feeling low  
Drop the beat and play it again  
Play it again

DJ, spin it back if you're feeling me  
The ... track is all I need  
Drop the beat and play it again  
Play it again

Back to the moonlight  
Turn it up so you feel that phase  
Rock, don't stop  
Say what you wanna say  
...

DJ play my song on the radio  
Lift me up when I'm feeling low  
Drop the beat and play it again  
Play it again

DJ, spin it back if you're feeling me  
The ... track is all I need  
Drop the beat and play it again  
Play it again
