

# Bee Gees, All The King's Horses

All the king's horses and all the king's men  
Couldn't put me back together again  
My heart lies in pieces all over the ground  
Who's gonna help me when you're not around  
And I know inside me ,that nobody cares  
Whatever happens to me  
I live my life as a plea

All the king's horses and all the king's men  
Couldn't put me back together again

I was in love when I sat on my wall  
No one could hurt me , no one at all  
And I know that somewhere my love walked away  
She threw my love to the sky  
Nothing to do but to cry

All the king's horses and all the king's men  
Couldn't put me back together again  
All the king's horses , all the king's horses  
All the king's horses , all the king's horses
