

Bee Gees, Emotions

Bee Gees

Miscellaneous

Emotions

it's over and done

But the heartache lives on inside

And who is the one your clinging to instead of me tonite

(bridge)

And where are you now

Now that i need you

Tears on my pillow

Wherever you go

Cry me a river that leads to your oceans

You'll never see me fall apart

(chorus)

In the words of a broken heart it's just emotions

Taking me over

Tied up in sorrows

Lost in my soul

And if you don't come back

Come home to me darlin'

You know there'll be no body left in this world to hold me tight

No body left in this world to kiss goodnight

Goodnight goodnight goodnight

Goodnight

I'm here at your side

Apart of all the things you are

And you never thought of some one else

Your gonna find you shining star

Repeat bridge

Chorus x3 to fade
