

# Bee Gees, Every Second, Every Minute

Send out your invitations  
There's gonna be a party goin' on  
We'll meet you at the station  
You know the race has just begun  
If you don't know that I was born to hold you  
Then I'm gonna tell ya loud and clear 'Baby I love ya'  
Ev'ry second, ev'ry minute, ev'ry hour, ev'ry day of ev'ry year. Now

We're gonna climb a mountain  
No one is gonna stop me now  
My love is like a fountain  
I'll take your hand and show you how  
If you don't think that I was born to hold you  
Then I'm gonna shout it loud and clear 'Baby I love ya'  
Ev'ry second, ev'ry minute, ev'ry hour, ev'ry day of ev'ry year
