Bee Gees

Miscellaneous

Grease (Frankie Valli)

I saw my problems and I'll see the light

We got a lovin' thing, we gotta feed it right

There ain't no danger we can go too far

We start believin' now that we can be who we are - Grease is the word

They think our love is just a growin' pain

Why don't they understand? It's just a cryin' shame

Their lips are lyin', only real is real

We stop the fight right now, we got to be what we feel - Grease is the word

Chorus:

(Grease is the word, is the word that you heard)

It's got a groove, it's got a meaning

Grease is the time, is the place, is the motion

Grease is the way we are feeling

We take the pressure, and we throw away conventionality, belongs to yesterday

There is a chance that we can make it so far

We start believin' now that we can be who we are - Grease is the word

Chorus

This is a life of illusion, a life of control

Mixed with confusion - what're we doin' here?

We take the pressure, and we throw away conventionality, belongs to yesterday

There is a chance that we can make it so far

We start believin' now that we can be who we are - Grease is the word

Chorus repeats 2x

(Grease is the word, is the word, is the word...)
