## Bee Gees, I Will Be There

This is the life you saved laid out before you Everything that I think I have been and what I am now Nothing can change the way I feel about you Better we go on our separate ways Nothing is left but the endless days Nothing to cry but your name

Don't you look back, don't say a word
I will be lonely for you, I will be standing for you
Don't you despair
I will be there for you
Farewell to you, goodbye for me
I will be waiting for you, I will be lonely for you
Don't you despair
I will be there for you
Ohh, ohh
I will be there
Ohh, ohh
I will be there

Maybe this time next year we'll be together You can wipe away all of the tears, bring truth to the lies There was a silent dream, we made a promise We'd be there for each other forever Borne like a ship on the ocean's roar Beating a path to your open door Nothing will keep me away

Don't you look back, don't say a word I will be lonely for you, I will be standing for you Don't you despair I will be there for you Each night I pray, to God above You will be waiting for me, you will be lonely for me Don't you despair I will be there for you Ohh, ohh I will be there Ohh. ohh I will be
