It's Beginning to Look Like Christmas

=====

It's beginning to look a lot like Christmas

Ev'rywhere you go;

Take a look in the five-and-ten, glistening once again

With candy canes and silver lanes aglow.

It's beginning to look a lot like Christmas,

Toys in ev'ry store,

But the prettiest sight to see is the holly that will be

On your own front door.

A pair of hopalong boots and a pistol that shoots

Is the wish of Barney and Ben;

Dolls that will talk and will go for a walk

Is the hope of Janice and Jen;

And Mom and Dad can hardly wait for school to start again.

It's beginning to look a lot like Christmas

Ev'rywhere you go;

There's a tree in the Grand Hotel, one in the park as well,

The sturdy kind that doesn't mind the snow.

It's beginning to look a lot like Christmas;

Soon the bells will start,

And the thing that will make them ring is the carol that you sing

Right within your heart.
