

Bee Gees, It's Just The Way

It's just the way that I feel about tomorrow.
I'll be sad and alone all the time.
It's just the way that you said you don't love me anymore then 'Goodbye'
I can't believe what you're saying.
You don't love me anymore 'Goodbye'.

Just the way that I feel about tomorrow.
Knowing you won't be there by my side.
I wish that I could say to you; well, can't we just be good friends?
Would you leave the door open, let me walk in again ?

That's the way I been thinking 'bout tomorrow.
I only know that friends can't be lovers again.
