

# Bee Gees, It's My Neighborhood

Don't get too close to me,  
don't overreact,  
you're not the enemy as a matter of fact,  
you got your pretty face and you got any name you wore  
gonna stick by you, gonna stumble over what to do.

I want it, good lovin' wanna be your plaything.  
I want it, good lovin' bring out the beast in me.  
I want it, good lovin' wanna make your heart sing,  
in the shadows we are free, and I walk you through it.

It's my neighborhood,  
that's where I belong.  
You're in trouble if you  
disagree with me.  
It's my neighborhood,  
that's where I belong,  
you find out why.

It's my neighborhood,  
that's where I belong.  
You're in trouble if you  
disagree with me.  
It's my neighborhood,  
that's where I belong,  
you find out why.

## VERSE 2:

So many tell you that you can't win  
It's a battle if you're lonely  
Or if you're starting over  
Two-fisted and fast on your feet  
And you know there's something more  
And the city kicks it out of you and...

I want it, good lovin' wanna be your plaything.  
I want it, good lovin' bring out the worst in me.  
I want it, good lovin' wanna make your heart sing,  
in the shadows we are free, and I walk you through it.

It's my neighborhood,  
that's where I belong.  
You're in trouble if you  
disagree with me.  
It's my neighborhood,  
that's where I belong,  
you find out why.
