Ev'rybody's doin' it ,stompin' australia way

Let's stomp , australia way
That's what they'll do today
Let's stomp to the surfin' wave
Ev'rybody in this here land
Come on , get yourself some sun
We're gonna stomp till the night is gone
Stomp , stomp , stompin' australia way

It all began in sydney town , down avalon way
Then surf city came along
Well , you've got to stomp to stay
The denver man had ,ah-oo, stomp fever
