(Love Is) Thicker Than Water

Love is higher than a mountain

Love is thicker than water

You are this dreamers only dream

Heaven's angel , devil's daughter

Say, my mind , should I go with her on silent nights

She'll drive me crazy in the end

And I should leave this paradise

But I can't leave her

while I need her more then she needs you

That's what I'm living for

Love is , higher than a mountain

Love is , thicker than water

You are this dreamers only dream

Heaven's angel , devil's daughter

Say my thought, should I find out she don't care at all

She'll leave me crying in the end

Wandering through the afterglow

But I can't leave her

While I need her more then she needs you

That's what I'm praying for

Love is , higher than a mountain

Love is , thicker than water

You are this dreamers only dream

Heaven's angel , devil's daughter

Love is , higher than a mountain

Love is , thicker than water

You are this dreamers only dream

Heaven's angel , devil's daughter
