

Bee Gees, Man On Fire

I'm a man on fire
It's a burning thing
It'll burn on forever
If you feed me baby
I'm a man on fire
An eternal flame
It'll burn on forever
If you feed me baby , oh

Gotta be a place to go in the midnight hour
Heart of a woman and just a little bit of pulling power
The feelings got me
I don't know what it means
I know it must be wrong
But when you love somebody you dream
And I dream
I save the love down deep inside me
For the moment when you come
And you're there , and you're gone
And I'm alive for you
And my love keeps hanging on

There is no life
No reason to go on believing in the stronger love
There is no unifying , if I don't hear you crying
I'm yours , you're mine , no power in the world
Together we are strong in love
And when your storm is over, I'll show how warm my love can be
And me , I'm a man on fire

I'm a man on fire
It's a burning thing
It'll burn on forever
If you feed me baby
I'm a man on fire
An eternal flame
It'll burn on forever
If you feed me baby , oh...

Ready when the lightning strikes and he deed is done

I'm not a beginner
But I'm a sinner when the heat is on
Nothing gonna stop me , got me all that you need
Women when you need somebody
A women with a face and a body , you dream
And I dream
I save the love down deep inside me
For the moment when you come
And you're there and you're gone
And I'm alive for you
And my love keeps hanging on

There is no life
No reason to go on believing in the stronger love
There is no unifying
If I don't hear you crying
I'm yours, you're mine , no power in the world
Together we are strong enough
And when your storm is over
I'll show how warm my love can me
And me , I'm a man on fire
