

Bee Gees, Peace Of Mind

Ah.....

Some may find peace of mind loving a girl like you
but I can say, in your way, you only make me blue.
Some may say you don't play, you have a heart that's true
but how can they believe what you say, you only make me blue.

You hurt me and you fool around.
You don't even give me a chance.
Well it's over and I'm telling you
it's the end of our romance.

Some may find peace of mind loving a girl like you
but I can say, in your way, you only make me blue.
Ah.....

You hurt me and you fool around.
You don't even give me a chance.
Well it's over and I'm telling you
it's the end of our romance.

Some may find peace of mind loving a girl like you
but I can say, in your way, you only make me blue.
Ah.....
