

# Bee Gees, Sad Eyes

Looks like it's over  
You knew I couldn't stay  
She's coming home today  
We've had a good thing  
I'll miss your sweet love  
Why must you look at me that way  
It's over.....

Ohhhh  
Sad eyes  
Turn the other way  
I don't want to see you cry  
Sad eyes  
You knew there'd come a day  
When we would have to say goodbye

Try to remember  
The magic that we shared  
In time your broken heart will mend  
I never used you  
You knew I really cared  
I hate to say it at the end

But it's over.....

Ohhhh  
Sad eyes  
Turn the other way  
I don't want to see you cry  
Sad eyes  
You knew there'd come a day  
When we would have to say goodbye

Sad eyes  
You knew there'd come a day  
When we would have to say goodbye (Ahhhhhhhh)  
Sad eyes (Sad eyes)  
Turn the other way (Turn the other way)  
I don't want to see you cry (Cry, cry, cry)

Sad eyes (Sad eyes)  
You knew there'd come a day (Hey, hey)  
When we would have to say goodbye (Ohhhhhh)

fade out
