

# Bee Gees, Spirits Having Flown

I never fell in love so easily  
Where the four winds blow I carry on  
I'd like to take you where my spirit flies  
Through the empty skies  
We go alone never before having flown  
Faster than light'ning is this heart of mine  
In the face of time I carry on  
I'd like to take you where my rainbow ends  
Be my lover friend  
We go alone never before having flown

I am your hurricane  
Your fire in the sun  
how long must I live in the air  
you are my paradise  
My angel on the run

How long must I wait  
It's the dawn of the feeling  
that starts from the moment you're there

You'll never know what you have done for me  
You broke all those rules I live upon  
I'd like to take you to my shangrila  
neither here or far away from home  
never before having flown  
There I'd like to take you where my spirit flies  
Through the empty skies we go alone  
Never before having flown
