

# Bee Gees, Tell Me Why

And if you think that you can hurt me with lies that cry  
Tell me why, tell me why, tell me why

Now I've got my reasons for feeling this way  
Day after day and as nights go by

So, if you think my heart is broken and I might die  
Tell me why, tell me why, tell me why

All of the world is as lonely as me  
Day after day and as nights go by

So if you think my heart is broken and I might die  
Tell me why, tell me why, tell me why

Tell me why, tell me why, tell me why
