

# Bee Gees, The Lord

[Verse 1]

What do you get for trying? Minute you're born you're dying.  
The body is six feet down. The Lord says the soul sticks around.

[Chorus]

You can believe what you wanna but I know what I'm gonna do.  
I'm gonna believe in the Lord.  
You can believe what you wanna but I know what I'm gonna do.  
I'm gonna believe in the Lord.

[Verse 2]

You think you live on laughter. But you don't know what's after.  
Singing Hallelujah. I can know the Master.

[Chorus]

[Verse 3]

When my life is over. Lie in fields of clover.  
Waiting for my own girl. Living in a new world . Yeah..

[Chorus]

[Verse 1]

[Chorus]

[end]

I'm gonna believe in the Lord.
