

# Bee Gees, To Be Or Not To Be

You build me up , you let me down  
How can I love , you give me no ground  
To be or not to be , to be ore not to be  
Am I gonna have you for me

One little light I saw before  
The light in your eyes, I don't see no more  
To be or not to be , to be or not to be  
Am I gonna have you for me , Well

(break)

Give me a chance . Make up your mind  
Give me romance . Tell me you're mine  
To be or not to be ,well, to be or not to be  
Am I gonna have you for me , Well

(break)

Well, to be or not to be  
Well, to be or not to be  
To be or not to be  
Am gonna have you for me

(repeat last verse and fade out)
