

# Bee Gees, Weekend

Hello , I'm down  
Take me for this weekend  
I'm your to borrow , tomorrow good friend  
And while I'm away  
All my love I'll send  
And thank you every Thursday for this weekend

Hello sunrise , I must see your eyes  
Still I will shout  
But they're bound to find me out

Hello , I'm down  
Take me for this weekend  
I'm yours to borrow , tomorrow good friend  
And I'm your to borrow , tomorrow good friend
