

# Bee Gees, Wouldn't I Be Someone

Maybe there's a reason why we broke up  
I could dedicate my life to something new  
But I must have been asleep but then I woke up  
Working out why I was still with you  
All the things I wish I could have been

Wouldn't I be someone , someone  
And I would be respected  
In the prime of my life , I'll do ev'rything right  
I'll begin  
Wouldn't I be something , something  
I would get a reputation  
In the prime of my life , I'll do ev'rything right  
I'll begin

(break)

Midnight stars are shining on my shoeshine  
Telling me the things I'm gonna be  
Now the hurts all gone , I've pushed them all behind me  
And the world is gonna fall in love with me  
All the things I wish I could have been

Wouldn't I be someone , someone  
And I would be respected  
In the prime of my life, I'll do ev'rything right  
I'll begin  
Wouldn't I be something, something  
I would get a reputation  
In the prime of my life , I'll do ev'rything right  
I'll begin
